YORK – *a faithful city?*

The Rt Revd Martin Wallace, the Bishop of Selby

What do a modern city and the Bible really have in common?

How does faith fit in with how we live our lives in a city growing and changing as fast as York?

During each Monday in Lent Bishop Martin conducted a series of lunchtime talks:-

- **An Inclusive City**
- **A Symbolic City**
- **A Surprising City**
- **A Connected City**
- **A Dream of a City**

These very popular talks are now available on 3 CD's. We would like to offer you the opportunity to purchase the CD's, which include all 5 talks, at a cost of £5.00 for the set including postage and packaging and a free copy of the workbook "Good Communities" by Bishop Martin. The CD's can be purchased by either, filling in your details below and returning your order with payment to the address below, or you can order copies on line by visiting www.coreyork.org.*

**Additional copies can be ordered for groups price £1.00 each.*
